NEW PARA TAEKWONDO KYORUGI SPORT CLASSES

Dear Sir/Madame,

We send you our warmest greetings from World Taekwondo.

As you are well aware, following extensive research into the Kyorugi sport classes, amendments to the WT Athlete Classification Rules were passed in December 2020 to come into effect on September 6, 2021 following the closing of the Tokyo 2020 Paralympic Games.

Following the Tokyo 2020 Paralympic Games all athletes will go back to a Review "R" Sport Class Status meaning all athletes will have to go through classification prior to competition.

To make this process easier we ask you to fill out new Medical Diagnostic Forms for your athletes and upload the forms to the World Taekwondo Classification System (WTCS) **no later than September 6, 2021**. The sooner we can receive your athletes' information the better.

You can find the Medical Diagnostic Form directly on the homepage of the WTCS or email us asking for a copy. The MDF must be filled out in clear English by a medical doctor concerning the athletes impairment. You must also upload supporting medical documentation like x-rays, medical information and photos of the athletes impairment to the system

If you do not have a WTCS account yet email para taekwondo department (para-tkd@worldtaekwondo.org) in order to obtain access.

In addition, we kindly request your reply to our ongoing survey of the new weight classes for your athletes. Your reply will help ensure a timely transition of your athletes' World Para Taekwondo Ranking points.

Sincerely yours,
